

**These 10 hampers full of delicious and useful goodies will be won at the Christmas dinner Dance.**

For the past 8 years Pauline Donovan and Leonie Kirby have collected the donated items, then professionally arranged and packed them into these lovely hampers.

**The trading table is also loaded with Christmas themed goods.**

**Kris Kringle anyone?**

Irene Garrett and Marion Beckett take care of this bargain table as well as buying, packing and selling chocolates. They put in many hours each week and make a handsome profit for the club.

Here is Irene making sure the trading table looks at its best.

These ladies are another four of our volunteers. Thank you, thank you.....Lyn
